

## Quantum-Si to Present at the 2022 UBS Global Healthcare Conference

May 10, 2022

GUILFORD, Conn.--(BUSINESS WIRE)-- May 10, 2022-- [Quantum-Si Incorporated](#) (Nasdaq: QSI) ("Quantum-Si," "QSI" or the "Company"), a life sciences company commercializing single molecule protein sequencing, today announced that it will be participating in the 2022 UBS Global Healthcare Conference taking place at the Lotte New York Palace, New York, NY, on May 23-25, 2022.

Quantum-Si's management is scheduled to present on Monday, May 23, 2022 at 3:30 pm ET.

A live and archived webcast of the event will be available in the Investors section of the Quantum-Si website under [Events & Presentations](#).

### About Quantum-Si Incorporated

Quantum-Si is focused on revolutionizing the growing field of proteomics. The Company's suite of technologies is powered by a first-of-its-kind semiconductor chip designed to enable single molecule next-generation protein sequencing and digitize proteomic research in order to advance drug discovery and diagnostics beyond what has been possible with DNA sequencing.
